

# OUR KIDS' SAFETY IS JOB #1

**“WE’VE GOT LIVES IN OUR HANDS,  
WE DELIVER PRECIOUS CARGO”**

**For Karen and Betty,  
getting kids to school  
safely and on time isn't  
just a job, it's personal.**

Betty can focus on driving safely because Karen keeps the bus under control.

Bus aides like Karen spend a good part of the day with kids, providing guidance and support.

She also helps kids in the classroom, teaching critical life skills and ensuring they get a good education.

Karen and Betty take pride in their work but struggle to pay the bills because hourly wages aren't keeping up with inflation.

**DON'T KAREN AND BETTY DESERVE BETTER  
FOR KEEPING OUR KIDS SAFE AND READY TO LEARN?**
