PREAMBLE

The Employers, the Union and the Union members agree that they will endeavor to treat each other with dignity and respect. The Union and the Employers recognize that the single greatest threat to their continued success is the proliferation of non-union competition in the security industry; as such, it is imperative that the Union and the Employers work together to preserve union jobs by supplying clients with the best possible security services. To this end, the Union and the Employers agree to resolve their problems through the procedures provided for in this Agreement and not by taking internal disputes to the customer for resolution. Only by cooperation and understanding of each other's needs and the realities of the marketplace, can both the Union and the Employers prosper.

ARTICLE 1: RECOGNITION

 - The client makes it a requirement that the Employer complies with the applicable City or County Prevailing Wage Ordinance or otherwise acknowledges in writing that the Employer's work for the client is subject to the City or County Prevailing Wage Ordinance; or
 - There is a final and binding decision by the relevant judicial, legislative or executive entity, with no further right of appeal by the client that the Employer's work for the client is subject to the City or County Prevailing Wage Ordinance.

*Although the CCAC campuses within the City of Pittsburgh are covered by this Agreement from the effective date of this Agreement, the remaining CCAC campuses outside of the City of Pittsburgh but within Allegheny County will not be covered by this Agreement until the Union has organized these sites under the applicable Card Check Agreement.

If the Employer acquires a new account in a facility or building as described above, such shall be treated as an accretion to the bargaining unit to the extent permitted by law, subject to all other applicable terms and conditions regarding economics and/or exclusions or phase-ins. If the Employer acquires a new account in a facility or building as described above and those workers may not be lawfully accreted to an existing Unit, the parties agree to comply with the recognition procedure provided for in Appendix A and B, which also set forth the process for resolving disputes under this paragraph.

2. The Employer may hire or engage security personnel to perform specialized functions such as, but not limited to, canine patrols, armed guards, and/or staffing relating to short term events) for up to and including sixty (60) days without such personnel being covered by the terms of this Agreement, subject to extension by mutual consent. Consent shall not be unreasonably withheld. If an employee performing specialized functions is hired into a permanent position, his or her time performing a specialized function shall count towards his or her probationary period under this Agreement.

3. The Union is recognized as the exclusive collective bargaining representative for all classifications of security employees within the bargaining unit defined above. Upon execution of this Agreement, the Employer will provide to the Union in writing the name, home address, primary telephone number, work location, job classification, part-time/full-time status, shift information, and wage rate of each employee working at the locations subject to this Agreement. This information shall be transmitted electronically.

4. The Employer shall, within thirty (30) days of hire, notify the Union in writing of the name, home address, primary telephone number, work location, job classification, part-time/full time status, shift information and wage rate of each new employee engaged by the Employer subject to this Agreement. This information shall be transmitted electronically.

5. As soon as practical after it has received notification that the Employer has become a service provider at a new covered location, the Employer shall notify the Union in writing of the new location and the date on which it is to commence performing work at that location.

ARTICLE 2: NO DISCRIMINATION

The Union and the Employer agree they shall not discriminate against any applicant or employee in hiring, promotions, assignments, suspensions, discharge, terms and conditions of employment, wages, training, recall or lay-off status because of race, color, ancestry, religion, creed, national origin, age, sex, maternity status, veteran status, sexual orientation, genetic information, or against a qualified individual with a disability (defined by the Americans with Disabilities Act), or any other characteristic protected by law. No employee or applicant for employment covered by this Agreement shall be discriminated against because of membership in the Union or activities on behalf of the Union.

ARTICLE 3: UNION MEMBERSHIP

1. To the extent permitted by law, it shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing and those who are not members on the effective date of this Agreement shall, on the thirtieth day following the effective date of this Agreement or the execution thereof, whichever occurs later, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the thirtieth day following the beginning of such employment, become and remain members in good standing in the Union.

2. Membership in the Union shall be available to each employee on the same terms and conditions generally applicable to other members of the Union and shall not be denied or terminated for reason other than the failure of such employee to tender the periodic dues or applicable agency fee, and the initiation fee uniformly required as a condition of acquiring or retaining membership.

3. The Employer shall make known to any new hire his or her obligations under this provision, and present such new hire at that time, union membership materials including but not limited to a membership application and voluntary payroll deduction authorization. The Union shall be permitted to include a welcome letter as part of the Union membership materials provided to new hires.

4. The Employer shall maintain accurate employee information and transmit dues, initiation fees and all legal assessments deducted from employees' paychecks to the Union electronically via ACH utilizing the 32BJ self-service portal, unless the Union directs in writing that dues be remitted by means other than electronic transmittals. The transmission shall be accompanied with information for whom the dues are transmitted, the amount of dues payment for each employee,

the employee's wage rate, the employee's date of hire, the employee's location or location change, whether the employee is part-time or full-time, the employee's social security number, the employee's address and the employee's classification. The Union shall provide any necessary training opportunity to the employer to facilitate electronic transmissions.

5. The Employer agrees to deduct from the employee's paycheck all initiation fees and periodic dues as required by the Union and voluntary contributions to the Union's Committee on Political Education ("COPE") or American Dream Fund ("ADF") upon presentation by the Union of individual authorizations as required by law, signed by the employees directing their employer to make such deductions from the employee's paycheck each month and remit same to Union not later than the 20th of the month following the month in which such deductions were made.

6. Effective January 1, 2019, the parties acknowledge and agree that the term "individual authorization" as provided in this Agreement includes authorizations created and maintained by use of electronic records and electronic signatures, excluding electronically recorded phone calls, consistent with state and federal law. The Union, therefore, may use such electronic records and signatures, excluding electronically recorded voice calls, to verify Union membership, authorization for voluntary deduction of Union dues and fees, as well as voluntary contributions to the Union's American Dream Fund, from wages or payments for remittance to the Union, and authorization for voluntary deductions from wages or payments for remittance to the American Dream Fund, subject to the requirements of state and federal law. The Employer shall accept such electronic records and signatures as valid individual authorizations for deduction and remittance.

7. The Union will furnish to the Employer the forms to be used for authorization.

8. The Union will completely defend and indemnify the Employer, and hold the Employer free and harmless against any and all claims, damages, suits or other forms of liability whatsoever that shall arise out of or by reason of action taken by the Employer at the Union's request for the purpose of complying with any provisions of this Article, including the Employer's termination of any employee for the failure to pay dues or an agency fee, including court costs and reasonable attorney fees. The Union shall have the right to select counsel to represent the Employer to contest, litigate, administer and/or settle any legal action with the Employer's consent, which shall not be unreasonably withheld.

ARTICLE 4: PROBATIONARY PERIOD

All new employees hired after the effective date of this Agreement shall not be considered regular employees of the Employer until after a probationary period of ninety (90) days. During the probationary period the employees will be represented by the Union and will be covered by all of the terms and conditions, unless otherwise noted herein, of this Agreement but may be discharged or otherwise disciplined without recourse to the grievance procedure in this Agreement.

ARTICLE 5: SENIORITY

1. After completion of the probationary period, an employee shall attain seniority as of his or her original date of hire. Unless otherwise provided, seniority shall be defined as an employee's length of service with the Employer or at a particular location, whichever is longer. An employee's seniority as of the effective date of this Agreement shall be the employee's date of hire with the Employer or any predecessor employer at the location where the employee currently works, provided that the chain of employment has been unbroken. The chain of employment is broken where an employee is separated from employment with an employer and at a building simultaneously. The burden of establishing a seniority date, if different from the date of hire with the Employer, shall be on the employee and based on credible documented proof.

2. Unless otherwise prohibited by applicable law, seniority shall be broken by any of the following events:

- a. Resignation, retirement, or voluntary termination;
- b. Discharge for cause;
- c. Voluntary promotion into any non-bargaining unit position, unless the employee returns to the bargaining unit within six (6) months of the promotion, in which case the Employee's seniority shall be fully restored, less any time in the non-bargaining unit position;
- d. Inactive employment for any reason exceeding six (6) months or an Employee's length of seniority; whichever is less; or
- e. Failure to return to work after any leave (including recall from layoff) within three (3) calendar days after a scheduled date for return, unless prior written notice is received by the Employer.

3. Within the bargaining unit, assignments, promotions, and the filling of vacancies shall be determined on the basis of seniority, provided that, in the reasonable opinion of the Employer, the Employee is qualified, suitable and available to work. Seniority shall be determinative when, and only when, all other job related factors are equal.

4. In the event of a layoff due to a reduction in force in a building, the inverse order of classification seniority shall be followed, provided, however, that for the purpose of this paragraph, seniority shall be based on total length of service in the building.

In the event of a layoff due to a reduction in force in a building or buildings that are all part of a building complex (a complex consisting of two or more adjacent buildings on a single campus or site), the Employer shall recognize the displaced employee's seniority across the entire building complex but only if, and only to the extent, the Employer has a current practice of treating operationally the buildings as one unit.

5. Except as provided in section 4 above, an employee who is laid off shall not be permitted to bump an Employee at any account or location. However, the laid off Employee shall have the right, for six (6) months to fill positions within the Employee's classification that may become available at the same account or location or at other accounts or locations subject to this Agreement, provided in the reasonable opinion of the Employer the Employee is qualified, suitable, and available to work. In higher education sites, Employees will remain on the recall list and shall retain their seniority for the duration of all seasonal layoffs, even if longer than six (6) months.

6. Seniority shall be determinative when all other job-related factors are equal among two or more employees who are reasonably qualified for the particular position.

7. The Employer may temporarily or permanently assign an employee to another building, or among other buildings, covered by Article I (Recognition) of this Agreement, provided that employees so assigned shall be credited with all accumulated seniority from their previously assigned location at their new location and shall continue to accrue seniority at their new location as if they had started work at that location, and that such assignments shall not be made arbitrarily, in retaliation or in violation of Article 2 (Non Discrimination).

8. Subject to paragraph 3 above, part-time employees shall be given preference by seniority in bidding for open full-time positions, provided that, in the reasonable opinion of the Employer, the employee is qualified, suitable, and available to work. Seniority shall be determinative when all other job-related factors are equal.

ARTICLE 6: DISCHARGE AND DISCIPLINE

1. Employees may not be discharged or disciplined except for just cause. Any employee discharged or disciplined shall be given written notice of the basis for such discipline or discharge. Upon request, the Union shall be provided with a copy of the notice to the employee of discipline or discharge.

2. All employees shall have the right to have a Shop Steward or other Union Representative present at any investigatory meeting that the employee reasonably believes may lead to discipline. To effectuate the presence of such an individual, the employee must request the presence of the Shop Steward or Union Representative.

ARTICLE 7: GRIEVANCE/ARBITRATION PROCEDURE

Grievance Procedure

For the purpose of this Agreement, a grievance is any difference or dispute between the Employer and the Union, an employee or group of employees concerning the interpretation or application of this Agreement. The parties agree to make prompt and earnest efforts to resolve such matters.

a. The procedure for handling a grievance pertaining to any such difference or dispute which may arise under this Agreement, shall be as follows, except that grievances involving disciplinary suspensions, transfers or terminations may be taken directly to Step 3.

Step 1. The Union and the immediate supervisor shall attempt to resolve any disputes or differences covered by this Article at the time they arise, or as soon as practicable thereafter. In the event they are unable to resolve the issue, the grievance shall be reduced to writing by the Union, and the grievance will state a summary of the facts, the specific portion of the Agreement allegedly violated and the date the alleged violation occurred, and will be submitted to the Employer's designated representative within ten (10) business days from when the grievant knew or should have known of the facts giving rise to the grievance.

Step 2. All grievances, other than those concerning discharge or suspension, shall be discussed at a Step 2 meeting between the Union representative and the Employer representative, who shall not be the person who participated in Step 1 on behalf of the Employer; to be scheduled within ten (10) business days of the written grievance. A written decision by the Employer shall be rendered within ten (10) business days of the Step 2 meeting. If the grievance is not deemed resolved after the Step 2 meeting, the Union shall request a Step 3 meeting within ten (10) business days of the Employer's Step 2 written decision.

Step 3. Following a request for a Step 3 meeting, the Union representative and the Employer representative, who, if practicable, shall not be the person who participated in either Step 1 or Step 2 on behalf of the Employer, shall meet within ten (10) business days. A written decision by the Employer shall be rendered within ten (10) business days of the Step 3 meeting. For all discharge and suspension grievances, the designated Union representative and the designated Employer representative will meet within ten (10) business days of the receipt of the grievance notice in an attempt to resolve the issue.

b. All grievances not resolved at Step 3 may be submitted at the request of either party to an arbitrator whose decision shall be final and binding on the Union and the Employer. The demand for arbitration must be made in writing within fifteen (15) business days after receipt of the Employer's Step 3 Written decision.

2. **Arbitration**

The parties agree to utilize the Federal Mediation and Conciliation Service to select arbitrators to decide all grievances submitted to arbitration. An arbitrator shall be selected pursuant to the Federal Mediation and Conciliation Service Rules for Labor Arbitrations.

- a. The parties will make every effort to have the arbitration scheduled as soon as practicable.
- b. The fee of the arbitrator and all reasonable expenses involved in the arbitrator's functions shall be borne equally by the Union and the Employer.
- c. If either party asserts that the dispute or difference is not properly a "grievance," the fact that the grievance has been dealt with under the contract grievance machinery shall not be considered by the Arbitrator in determining whether or not the grievance is arbitral.
- d. The parties intend that the arbitration shall be governed by the Federal Arbitration Act (FAA). The procedure outlined herein in respect to matters over which the arbitrator has jurisdiction shall be the sole and exclusive method for determination of all such issues, and the decision of the Arbitrator shall be final and binding upon the Union and the Employer. The Arbitrator shall have no authority to add to, subtract from, or modify, any of the terms of this Agreement
- e. Should either party fail to abide by an arbitration award within two (2) weeks after such award is sent by registered or certified mail to the parties, either party may, in its sole and absolute discretion, take any action necessary to secure such award including but not limited to suits at law.

3. **Time Limits**

- a. Time limits in this Article shall exclude Saturday, Sunday and paid holidays. The time limits in this Article may be extended by mutual agreement of the parties.
- b. If the Employer fails to respond within the time limits prescribed, the grievance shall be processed to the next step in the grievance arbitration procedure.
- c. Any grievance shall be considered null and void if not filed and processed by the Union in strict accordance with the time limitations and procedures set forth above.
- d. Where a Union-represented employee files an internal appeal with the Union concerning the Union's decision not to pursue arbitration of a grievance, the Union's 15-day time limit to notice arbitration of the grievance under Section 1(b) above shall be tolled until the internal appeal is resolved, not to exceed 60 days. This does not alter any other grievance processing time limits provided for under Article 7. The Union shall immediately notify the involved Employer of the filing of the internal appeal and notify the Employer of the outcome of the internal appeal.

4. **Employer Initiated Grievances**

The Employer shall have the right to initiate grievances at Step 3 and those grievances must be submitted in writing to the Union within fifteen (15) business days after the Employer knew or should have known of the incident or occurrence giving rise to the grievance.

5. The Union and the Employer intend that the grievance and arbitration provisions in the Collective Bargaining Agreement shall be the exclusive method of resolving all disputes between the Employer and the Union and the employees covered by this agreement unless otherwise set forth or required under applicable law. Such disputes include "wage and hour claims or disputes," which shall include statutory claims over the payment of wages for all time worked, uniform maintenance, training time, rest and meal periods, overtime pay, vacation pay, and all other wage hour related matters. The parties agree that any employee's or employees' wage and hour claims or disputes relative to a violation of wage and hour law shall be resolved through the arbitration process provided for in this Agreement to the extent permitted by law and the employees (by and through the Union) shall have access to the arbitration provision in this Agreement for the purpose of resolving any wage and hour claims or disputes.

6. Regarding wage and hour claims or disputes:

a. The Union has the exclusive right to assert collective or class action grievances or grievances on behalf of more than one employee. All such grievances shall be initiated and processed in accordance with the standard provisions of the grievance and arbitration procedure, including the standard deadline by which such grievances must be initiated. The employees (by and through the Union) shall be provided all substantive rights and remedies available under applicable law.

b. Where the Union chooses not to assert a grievance under Section (a) above, an employee may assert claims or disputes to the department of labor or through a civil action on behalf of himself or herself individually concerning a wage and hour claim or dispute and the employee shall be provided all substantive rights and remedies that they would otherwise be entitled to under applicable law. As set forth in paragraph 6(a) an individual cannot pursue class and/or collective wage and hour claims or disputes to the department of labor or through civil litigation.

7. These provisions are not intended to limit or curtail employees' individual rights. To the contrary, it is the goal of the Employer to swiftly and fairly address and resolve employee concerns. In no event shall this Article or this agreement be read to construe a waiver of individual rights to pursue discrimination claims through administrative proceedings or civil actions.

8. The Employer and the Union agree to work swiftly and cooperatively to resolve and remediate, if necessary, any disputes that arise.

**ARTICLE 8: NO STRIKES, PICKETING OR OTHER INTERRUPTION
OF WORK/ NO LOCKOUTS**

1. There shall be no strikes (including, but not limited to, economic, unfair labor practice or sympathy strikes), picketing, work stoppages or job actions by employees or the Union, relating to this bargaining unit, or lockouts, during the term of this Agreement. In addition, the Union shall not engage in any of the following activities at or concerning any location covered by this Agreement: a) anti-company websites; b) anti-company internet postings or blogs; c) electronic or any other form of negative or anti-company literature or publicity, except literature which is provided only to employees of the company which are represented by the Union and which covers only employment related issues; d) public demonstrations aimed at the Employer; e) encouraging or funding claims or litigation against the Employer except for claims based on a violation of this Agreement; f) engaging in any of the foregoing activities targeting or addressed to the Employer's customers in furtherance of the Union's activities vis-a-vis an Employer. In the event of a strike of another labor group, the Union or any other individual(s) involving the customer's property or operations, the employees will remain on the job for the protection of life, limb, and property, but shall not be required to assume duties outside the scope of this Agreement.

2. The Union acknowledges that security officers' duties may include the apprehension, identification and reporting of, and giving evidence, against any persons who perform or conduct themselves in violation of work rules or applicable laws while on the Employer's or the customer's premises, including members of this bargaining unit, and that the performance of such duties shall not subject security officers to punishment, discipline or charges by the Union.

ARTICLE 9: MANAGEMENT RIGHTS

1. Subject to the terms of this Agreement, the Employer shall have the exclusive right to manage and direct the workforce covered by this Agreement. Among the exclusive rights of Management, but not intended as a wholly inclusive list of them are the rights: to plan; direct and control all operations performed at the various locations served by the Employer; to direct and schedule the workforce; to determine the methods, procedures, equipment, operations and/or services to be utilized and/or provided or to discontinue their performance by the employees of the Employer and/or subcontract the same in accordance with Article 26 (Subcontracting); to transfer and/or relocate all of the operation(s) of the business to any location or discontinue such operations, by sale or otherwise in whole or in any part at any time; to establish, increase or decrease the number and/or length of work shifts, their starting and ending times and determine the work duties of Employees; to require that occasional de minimis duties other than normally assigned be performed; to select supervisory employees; to train Employees; to discontinue or reorganize or combine any part of the organization; to promote and demote employees consistent with the operational needs of the business consistent with applicable laws; to discipline, suspend, and discharge for just cause subject to the terms of the Agreement; to relieve Employees from duty due to lack of work or any other legitimate operational reason; to cease acting as a contractor at any location or cease performing certain functions at a location, even though Employees at that location may be terminated or relieved from duty as a result.

2. Any of the rights, power or authority the Employer has when there was no Agreement are retained by the Employer and may be exercised without prior notice to or consultation with the Union, except those specifically abridged or modified by this Agreement and any supplementary subsequent agreement which may be made and executed by the parties.

3. The Employer shall also have the right to promulgate, post and enforce reasonable rules and regulations governing the conduct of Employees during working hours provided they are consistent with the terms of the Agreement and the Union is provided with reasonable notice of changes to the rules or regulations. In any arbitration in which the Employer's rule or regulation is found to be unreasonable, the arbitrator may only order rescission of the rule or regulation, and may not modify or alter the rule or regulation in any manner.

4. The foregoing statements of management rights and Employer functions are not exclusive and shall not be construed to limit or exclude any other inherent management rights not specifically enumerated.

5. The Union recognizes that the Employer provides a service of critical importance to the customer. If a customer or tenant demands that the Employer remove an Employee from further employment at an account or location, the Employer shall have the right to comply with such demand, and the following shall apply:

- a. Upon request by the Union, the Employer shall provide the customer/tenant's written demand, if any. In the event no written demand exists, the Employer shall make a good faith effort to obtain a written request. Upon request of the Union, the Employer shall provide the stated reason for the customer/tenant demand, if known.
- b. However, unless the Employer has cause to discharge the employee, the Employer will place the employee in a job at another account or location covered by this Agreement without loss of seniority or reduction in pay wages or benefits.
- c. If the Employer has no other accounts or locations under this Agreement where there are positions at the employee's same wage rate and benefits, the employee shall be placed at another account or location of the Employer covered by this Agreement in a lower wage category, or where there are lesser benefits; or, at the employee's option, the employee may be laid off. If the employee is placed at another account or location of the Employer in a lower wage category, or where there are lesser benefits, or if the employee is laid off, the employee shall have the right, subject to the Employers suitability determination, to fill positions that become available within six (6) months if the Employer obtains, or a vacancy occurs at, another account subject to this Agreement where the wage rate and benefits are at least equal to the wage rate and benefits previously enjoyed by the employee.
- d. When informed of the possibility of a layoff under this paragraph, the employee shall have ten (10) days in which to notify the Employer if he 'or she wishes to accept a position with the Employer at another location. If the employee is no longer working during any portion of this ten-day period, the foregoing sentence shall not impose any obligation on the Employer to pay the employee for any such non-working days.
- e. Before any other employees are hired, the Employer shall offer open positions to individuals on the recall list, provided they are qualified, suitable, and available to work. Recall rights hereunder are in order of Employer seniority within classification. There

shall be no bumping rights in conjunction with this paragraph. Nothing herein shall require the Employer to place an employee in a position for which the employee is not qualified.

- f. If after the six (6) month period, the employee has not been recalled to a position within the bargaining unit, the employee shall be considered permanently laid off and the Employer shall have no further obligation with respect to this Article.

6. Transfers or removals of employees because of a reduction in force shall not be arbitrary, retaliatory or in violation of Article 2 (No Discrimination). The Employer shall make its best effort to promptly notify the Union, where possible in advance, of any significant reductions in the number of employees assigned to any work location covered by this Agreement.

ARTICLE 10: WAGES

1. The following wage tables will govern the minimum hourly rates and wage increases for all accounts, following this Agreement's ratification date. The Employer shall implement either the Wage Increase or the Minimum Rate, whichever is more favorable to the employee, but not both.

<u>DATE</u>	<u>WAGE INCREASE</u>	<u>MINIMUM RATE</u>
October 1, 2018	\$0.60	\$12.35
October 1, 2019	\$0.60	\$12.95
October 1, 2020	\$0.65	\$13.60
October 1, 2021	\$0.60	\$14.20

Any general wage increase the employee is entitled to is granted first, then if the employee is still below the contract minimum rate, the employee is moved to the minimum rate.

2. Where required by a client account, an Employer may implement an increase in the wage rates set forth in this Article in the twelve months preceding the date on which the increase becomes due, so long as the Employer provides the Union with advance notice of the proposed increase and obtains the Union's consent, which consent shall not be unreasonably withheld. In such event, the increase shall be credited and count toward any required annual increases as set forth and required by this Article.

3. Accounts subject to prevailing wage laws shall not be subject to the economic terms herein. The parties shall negotiate riders for such accounts.

ARTICLE 11: HEALTH BENEFITS

1. Subject to Section 2 below, the Employer agrees to make payments as follows into a health trust fund, known as the Building Service 32BJ Health Fund (the "Health Fund"), to

provide only eligible employees covered by this Agreement with health benefits under such provisions, rules and regulations as may be determined by the Trustees of the fund, as provided in the Agreement and Declaration of Trust, subject to paragraph 7 below. The rates of contribution shall be as follows:

Effective January 1, 2018	\$467 per month per full-time employee
Effective January 1, 2019	\$497 per month per full-time employee
Effective January 1, 2020	\$535 per month per full-time employee
Effective January 1, 2021	\$586 per month per full-time employee
Effective January 1, 2022	\$634 per month per full-time employee

Full-time employees shall be those employees determined to be benefits eligible consistent with the rules set forth below. The Union has provided evidence to the Employer that the Health Fund has certified that it is “affordable,” offers “minimum value” and is currently compliant with any requirements of the Affordable Care Act that apply to group health plans. The Union agrees to provide the Employer with reasonable assurance upon request that the Health Fund meets the requirements in the preceding sentence.

2. The obligation to contribute to the Fund shall commence ninety (90) days after the employee’s date of hire, or on the date the employee becomes a full-time employee, whichever is later. Employees shall have a waiting period of ninety (90) days following their date of hire or in the case of an employee who has been employed by the Employer for at least 90 days and is changing from part-time status to full-time status, the employee shall become eligible to participate in the Fund effective on the date he becomes a full-time employee. Under no circumstances is the Employer obligated to contribute to the Fund with respect to any employee who is not yet eligible to participate in the Fund.

3. Dependent Health Care Coverage:

The Employer shall make the following monthly contributions on behalf of each employee who elects to purchase dependent child coverage at the employee’s own cost:

Effective January 1, 2018	\$1,027 per month
Effective January 1, 2019	\$1,094 per month
Effective January 1, 2020	\$1,176 per month
Effective January 1, 2021	\$1,288 per month
Effective January 1, 2022	\$1,395 per month

The Employer shall make the following monthly deductions from employee’s paychecks for those employees who elect to purchase dependent child coverage, in equal installments the following amounts:

Effective January 1, 2018	\$560 per month
Effective January 1, 2019	\$597 per month
Effective January 1, 2020	\$641 per month

Effective January 1, 2021
Effective January 1, 2022

\$702 per month
\$761 per month

The Health Fund will offer newly hired employees dependent child coverage any time within ninety (90) days of their date of hire, although employees will be given up to 120 days from their date of hire to elect dependent child coverage. Coverage cannot begin earlier than the ninety first (91st) day of employment. Thereafter, the Health Fund shall conduct an annual open enrollment period of thirty (30) days commencing in the month of October on dates established by the Fund each year during which employees may elect to enroll or discontinue dependent child coverage. The Fund shall inform the Employer in advance if the annual open enrollment period will be commencing in a month other than October. Although the Fund shall conduct the Open Enrollment process for eligible employees, the Employer and Union will facilitate reasonable requests from the Fund for the Fund's open enrollment periods.

Enrollment of children due to family status changes, such as the birth or adoption of a child or loss of coverage by a non-enrolled dependent, may be done at any time in accordance with Fund Special Enrollment Rules as set forth in the Health Fund Summary Plan Description. Enrollment of dependents for those who elect dependent child coverage shall follow the Fund's eligibility and special enrollment rules.

4. If any future applicable legislation is enacted, there shall be no duplication or cumulation of coverage, and the parties will negotiate such changes as are required to ensure no duplication or cumulation of coverage or as may be required by law.
5. This Agreement will not alter site-specific rider agreements required under applicable prevailing wage laws as to health care.
6. It is agreed by the parties that, other than the stated rates above, no other increases in the Health Fund contribution rates can or will occur, or be required to be paid, by the Employer during the term of this Agreement. If the Fund does implement additional increases other than those set forth in this Agreement, payment of these increases shall be the responsibility of the employee and not the Employer. Any such increases shall be added to the aforementioned monthly deductions from employees' paychecks.
7. The Employer shall not change an employee's regular schedule by reducing the hours the employee works for the purpose of avoiding its obligation under this Agreement or any rider to make contributions for health benefits for such employees, nor shall the Employer change the structure of scheduled hours on any account/site solely for the purpose of limiting or reducing health care eligibility. If the Employer intends to reduce the overall number of hours regularly billed to a client account because of a change in client specification, the Employer shall make best efforts to implement the reduction of hours in a manner that would have the least effect on the Employer's then current obligation to contribute toward health benefits for full-time employees assigned to the subject client account.

8. Employees who are regularly scheduled to work or be paid at least thirty (30) hours per week shall be considered full-time for purposes of determining healthcare eligibility under Article 11.

- a. For those employees who: (i) are not regularly scheduled to work or be paid at least thirty (30) hours per week, or (ii) for whom the Employer cannot reasonably determine at their time of hire whether they will be regularly scheduled to work or be paid at least thirty (30) hours per week, the Employer shall maintain an ACA-compliant lookback and stability measurement process to determine their eligibility for benefits in accordance with Article 11.
- b. The Employer shall provide the Union and the Fund with a description of its lookback and stability measurement process.
- c. With regard to healthcare eligibility for employees, the following shall apply as it relates to lay-offs, seasonal or otherwise:
 - i. Laid-off employees who, because of reassignment/transfer, obtain full-time positions following a layoff will receive healthcare coverage while employed in their newly assigned position in the manner and scope extended to employees at the site to which he/she is reassigned/transferred;
 - ii. Laid-off employees who, because of reassignment/transfer, obtain part-time positions following a layoff will receive healthcare coverage while employed in their newly assigned position in the manner and scope extended to employees at the site to which he/she is reassigned/transferred.
- d. Laid-off employees who fail to obtain full-time or part-time positions, due to a lack of reassignment or transfer, shall not be eligible to continue to receive healthcare coverage until such time as they are recalled to a position wherein they are eligible for healthcare coverage.
- e. Healthcare eligibility for employees on university campuses shall be determined in accordance with Section 12.

9. In keeping with the parties' intent, all employees who have been employed for 90 days and are regularly scheduled to work 30 hours or more per week shall be eligible for health care coverage under this Agreement, even if that employee does not satisfy the objective method of eligibility determination negotiated by the parties. For example, an employee who is scheduled 30 hours per week but misses a shift because an unpaid holiday would not lose coverage. In order to achieve this end, Employer will, after each employee's initial 90 day determination period, inform the Union whether that employee is eligible for benefits within ten (10) business days of making the determination. Likewise, in the event an employee who was previously eligible for benefits fails to meet the applicable eligibility standard, Employer will inform the Union of that determination within ten (10) business days. In the event the Union believes an employee regularly scheduled to work 30 hours or more per week has been improperly excluded from benefit eligibility, the Union will inform Employer of that belief within ten (10) business days. Thereafter, the parties will meet in a good faith effort to determine whether the employee's failure to meet the eligibility criteria was due to an unforeseen and unlikely to be repeated circumstance (in which case the employee will remain eligible for benefits) or due to a permanent change in the employee's work schedule (in which case the employee will not be

eligible for benefits). In the event the parties are unable to reach an agreement, the matter will be handled pursuant to the grievance and arbitration provisions of this Agreement.

10. At any time on or after October 1, 2018, should the Union or the Employer receive notice that the Health Fund's plan of benefits or the eligibility standards stated in this Agreement (1) fail to meet the requirements of any applicable law or regulation, or (2) cause the Employer to become subject to a penalty, fine or other assessable payment under ACA or any related law or regulation ("noncompliance"), the party receiving notice of such noncompliance shall provide a copy of such notice to the other party within 15 days. Within the next 15 day period the parties shall meet to discuss a resolution to cure the noncompliance. If the meeting and bargaining do not result in an agreement to cure the noncompliance within 30 days of either party first receiving notice of noncompliance, the Employer may provide written notice to the Union that it is withdrawing from the Fund and the parties shall continue to meet to bargain over health coverage, provided that the no-strike provisions contained in Article 8 of this Agreement shall cease to apply upon the date on which the Employer provides written notice that it is withdrawing from the Fund.

11. A security officer who is assigned to a higher education account and who is regularly scheduled to work 30 or more hours per week during the school year shall be eligible for health insurance contributions during the time that they are working. A security officer who is laid off from work during the summer months (i.e., during the summer break between completion of the educational semester in the spring and the beginning of the new educational semester in the fall), will lose their health insurance coverage for the duration of such a layoff, subject to the Fund's rules on when coverage would end (and corresponding eligibility for COBRA).

A security officer who is laid off from work during the summer months and who is called back to work at the beginning of the new educational semester, and who as a result is returned to being regularly scheduled to work 30 or more hours per week, shall resume eligibility for health insurance contributions as of the date such officer resumes work.

Any full-time security officer who, based on their seniority and/or assignment, has work available to them during the summer months, may not elect voluntary layoff. If such officer elects not to work the summer schedule offered to them, that officer shall be considered to have voluntarily resigned their employment, and their bargaining unit seniority under Article 5 shall be considered broken as of their last day of work for the Employer. Summer work availability will be determined in the following manner. Employees will be laid off based on seniority in accordance with Article 5, Section 4. The Employer may then fill posts which are vacated as a result of layoffs with employees who are not laid off but whose posts are closed. Such employees will be transferred to open posts on the same shift, with preference being given based on seniority to maintain the same hours and days worked per week. If no work is available on the same shift, officers may elect to bump a less senior employee on a different shift or to be laid off with no loss of seniority or other benefits.

12. By agreeing to make required payments into the Fund, the Employer hereby adopts and shall be bound by the Fund's Agreement and Declaration of Trust as it may be amended and the rules and regulations adopted or hereafter adopted by the Trustees in connection with the provision and administration of benefits and collection of contributions.

14. If the Employer fails to make required reports or payments to the Fund, the Trustees may in their sole and absolute discretion take any action necessary, including but not limited to immediate arbitration and suits at law to enforce such reports and payments, together with interest and liquidated damages as provided in the Fund's Trust Agreement and any and all costs of collection including but not limited to counsel fees, arbitration costs and fees and court costs."

ARTICLE 13: VACATION

1. **Schedule.** Following one year of employment, all regularly scheduled full-time employees shall be eligible to receive paid vacation leave under the schedule below:

Years of Seniority

1 year, but less than 3
3 years, but less than 10
10 years or more

Vacation Leave Entitlement

1 week (up to 40 hours)
2 weeks (up to 80 hours)
3 weeks (up to 120 hours)

Employees shall receive their full allotment of vacation upon reaching their anniversary. For example, employees reaching their one year anniversary shall immediately receive 1 week vacation. Vacation allotment is determined by the actual hours paid in the previous year up to a maximum of 2080 hours. Employers that use a calendar year vacation system shall not have an accrual system that provides less than the anniversary system. In determining an eligible Employee's actual hours paid, he or she will receive credit for straight-time hours paid, overtime hours paid, holidays paid, paid sick leave, paid vacation leave taken, and paid training assignments up to a maximum of forty (40) hours per week.

To state it another way, an eligible employee's vacation pay is determined based on the following formula:

$\text{Maximum Vacation Allowance (see table above) x Actual Hours Paid} \div 2080 = \text{Vacation Allowance as of Employee Anniversary date.}$
--

Employees hired before October 1, 2018 where a greater vacation accrual system is currently in place shall remain on said preferential accrual schedule.

2. **Pay.** Vacations shall be paid at the employee's regular straight-time hourly rate of pay. Employees may opt for payment in lieu of time off and will be paid within thirty (30) days of the employee's anniversary month. Employees will be paid vacation in accordance with the Employer's normal payroll procedures. Unused vacation time shall be paid out at the end of the year for which it was earned, in accordance with the Employer's normal payroll procedure.
3. **Credit.** Time-off work credited as paid vacation leave shall count as hours worked, for purposes of determining eligibility for vacation leave under this provision.
4. **Discretion.** The actual time of taking any vacation leave shall be subject to the Employer's reasonable discretion, so that the normal flow of operations will not be impeded. Employees shall be permitted to request vacation time in increments of one day or more.
5. **Unused Leave.** In the event that the service of an employee is terminated, whether voluntarily or involuntarily, the employee shall receive vacation pay for any unused vacation leave that the employee earned at the time of termination.
6. **Return From Vacation.** An employee returning from approved vacation shall be restored to the location and position (including hours and shift) that he or she held prior to the vacation.
7. Payouts of vacation shall be done in accordance with Employer payroll practices.

ARTICLE 14: PAID & UNPAID TIME OFF

1. The following PTO schedule shall apply to all regularly scheduled full-time employees for use due to bona fide illness or injury, or to attend a doctor's appointment, or for any other reason at the employee's discretion:
 - a. Effective January 1, 2019, regularly scheduled full-time employees with two years seniority shall be granted one paid day of PTO per calendar year.
 - b. Effective January 1, 2019, regularly scheduled full-time employees with three or more years seniority shall be granted two days of PTO per calendar year. There shall be no pyramiding of clauses (a) and (b) of this Section.
 - c. Effective January 1, 2020 and each subsequent January 1, the following shall apply: Regularly scheduled full-time employees with one (1) or more years of seniority shall be granted one (1) day of PTO per calendar year. Regularly scheduled full-

time employees with three (3) years of seniority shall be granted three (3) days of PTO per calendar year. Regularly scheduled full-time employees with four (4) or more years of seniority shall be granted four (4) days of PTO per calendar year. There shall be no pyramiding of days under this section.

- d. Except where a PTO day is for unanticipated illness or injuries, the employee must provide ten (10) calendar days' advance notice to the Employer of his or her intention to use a PTO day, and obtain the Employer's prior approval. Such approval shall not be unreasonably withheld. PTO under this Section may be used in increments of one or more days (no partial days).
- e. PTO accumulation is not eligible for cash out, nor can it be carried forward from year to year.

The Employer agrees to comply with the terms contained within the City of Pittsburgh Sick Ordinance as well as complying with the law as the effective date of the ordinance. The Employer shall provide any necessary enhanced leave pursuant to the sick ordinance as for those time frames wherein this existing provision of the Agreement does not meet the statutory minimums. The Employer will not detract from vacation or other paid leave allotments in order to comply with the Sick Ordinance. Earned PTO in 1.a and 1.b shall be applied to meeting the Employer's requirements in the City of Pittsburgh Sick Ordinance.

2. **Interaction with other Leave.** Any PTO used under this Article shall also reduce the time available to the employee for use under the Family and Medical Leave Act ("FMLA"), to the maximum extent permissible under law. For example, if an employee uses one day of accrued PTO for an event that qualifies the employee for unpaid leave time under the FMLA, then the time the employee has available under the FMLA shall also be reduced by one day. The intent of this provision is to provide benefits that are fully coordinated with, but not cumulative of, any rights the employee may have under the FMLA.

ARTICLE 15: BEREAVEMENT LEAVE

1. In the event of a death in the employee's immediate family (parent, spouse, child, brother or sister, grandparent, grandchild, legal guardian, domestic partner shall be granted up to three (3) days paid leave. Requests for such leave shall not be unreasonably withheld. The employee shall notify the Employer of the date he or she will return to work.

An employee may be required to submit proof of death and/or that the deceased was within the class of relatives specified.

ARTICLE 16: JURY DUTY

Employees shall receive leave and wages for days served performing jury duty, pursuant to applicable law. An Employee may be required to submit proof of jury duty and/or proof that he/she was paid for such service.

ARTICLE 17: WORKWEEK, OVERTIME, BREAKS

1. The workweek shall be the Employer's established weekly pay period in accordance with Employer's payroll policy. This Section shall not be construed as a guarantee of any number of worked days per week or hours worked per day. A regularly scheduled full-time employee will be granted a minimum of one (1) day (24 consecutive hours) off in each workweek. This excludes emergencies, including but not limited to staffing shortages (i.e. "no-call, no-show"), voluntary opportunities as well as special events. Unless otherwise required by law, all work performed in excess of forty (40) hours in one workweek shall constitute overtime and shall be paid for at the rate of time and one-half the employee's hourly rate.

2. Other than in extreme or emergency circumstances, no employee shall be required to work more than sixteen (16) hours in any twenty-four (24) hour period. Under no circumstances shall an employee be disciplined for refusing to work more than sixteen (16) hours in any twenty-four (24) hour period. If any employee is required to work beyond his or her regularly scheduled hours in any day, such employee shall be paid therefore and shall not be required to take compensatory time off.

3. Work schedules for the following week will be made available to employees pursuant to the Employer's scheduling policy. The Employer may, with reasonable notice, change the schedule of any employee to provide coverage for call-offs, vacations, illness or other unforeseen situations. 4. Employees required to secure a standing post shall be permitted to sit down at reasonable intervals.

5. **Meal and Rest Periods:**

a. Unless the employee is relieved of all duty during a thirty (30) minute meal period, the meal period shall be considered an "on duty" meal period and counted as time worked. An "on duty" meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty or when an on-the-job paid meal period is agreed to in a written agreement between the Employer and employee. The parties agree that the nature of the work performed by a security officer may prevent him or her from being relieved of all duties necessitating an on-the-job paid meal period.

b. This valid collective bargaining agreement expressly provides for the wages, hours of work, and working conditions of employees, and expressly provides for meal periods for those employees, final and binding arbitration of disputes concerning application of its meal period provisions, premium wage rates for all overtime hours worked.

c. On-Duty Meal Periods: (for sites where employees take paid, on-duty meal breaks). The terms of the on-duty meal period are as follows:

For example, if employee begins work at 8 am, a rest period shall be provided as near as possible to 10 a.m.

f. Meal and Rest Period Report: If an employee misses a meal or rest period, within 72 hours, the employee shall complete a Meal and Rest Period Report, in writing, and provide to management. The Union and the Employer shall agree upon the form of the Meal and Rest Period Report. No employee shall be subjected to discipline, termination or other adverse action because he/she filed a Meal and Rest Period Report.

g. If any state or local law, regulation or wage order dealing with meal and/or rest periods provides more generous terms to the employee than are provided herein, the state or local law, regulation or wage order shall prevail.

6. The Employer will use good faith efforts to assign overtime hours available at a location to officers at that location who have expressed interest in working the overtime, subject to the needs of the business.

7. The Employer will not, as a matter of practice, change the employee's regular schedule by reducing the employee's hours for the sole purpose of reducing the employee's overtime pay in the same week.

The Employer shall provide a list of the names of the employees who have self-nominated to the Union upon request.

When a position arises at a location covered under this Agreement, the Employer shall give first consideration to the bargaining unit employees (full- or part-time) who have self-nominated in order of seniority whose request matches the open position, assuming that in the reasonable opinion of the Employer the employee is qualified, suitable, and available for work.

3. An employee who is placed in a regular full-time position pursuant to this procedure shall not be eligible to put his/her name on the list for a period of six (6) months.

4. In the event a bargaining unit promotional opportunity arises at the job site, in deciding on the employee to be promoted, all employees steadily employed at the job site will be considered along with other persons, with respect to the following factors.

- a) Seniority
- b) Qualifications

The Employer shall continue current deposit policy for employees hired prior to the effective date of this agreement, and not materially increase the deposit required.

ARTICLE 20: RETIREMENT

Regular full-time employees shall be eligible to participate in the Employer-sponsored 401(k) savings plan, in accordance with the terms and conditions of such plan as it may be amended. The Employer shall continue its matching contribution at the current rate; however, such matching contribution remains within the Employer's sole discretion and is subject to change from year to year. Each year, the Employer will advise participating employees and the Union as to whether the Employer will make a matching contribution to the plan and the amount of such contribution. Employers that do not have a plan that this group would be eligible to participate in shall not be required to offer one.

ARTICLE 21: CONTRACTOR TRANSITION

1. Whenever the Employer takes over the servicing of any job location, building or establishment covered by this agreement, the Employer agrees to retain all permanent employees at the job location, building or establishment, including those who might be on vacation or off work because of illness, injury or authorized leaves of absence, provided that employment will be offered to those employees who satisfy the hiring and employment standards of the Employer. If a customer demands that the incoming Employer remove an employee from continued employment at the location, the Employer shall have the right to comply with such demand and not offer that employee employment. In the event the Employer elects to retain said employee, the

Employer agrees to honor seniority for wage and benefit purposes, and shall not require the employee to serve a Probationary Period as described in Article 4 (probationary period).

2. The outgoing Employer will be responsible to pay all wages and vacation accrued for each employee prior to the date of the takeover. Vacation payouts shall be made in a separate check from regular wages within 21 calendar days of the transition date and shall include vacation earned but not yet used for the current year and a prorated portion of vacation accrued for use the following year. The incoming Employer shall have no responsibility for wages and vacation accrued prior to takeover. Employees shall then begin to accrue vacation with the incoming employer and receive a prorated amount of vacation on the next vacation anniversary date.

3. Subject to the provisions of Article 5 (Seniority), when an incumbent officer is not hired by the new contractor, the outgoing Employer will place the employee in a job at another account or location covered by this Agreement without loss of seniority or reduction in wages or benefits. If the Employer has no other accounts or locations under this Agreement where there are positions at the employee's same wage rate and benefits, the employee shall be placed at another account or location of the Employer covered by this Agreement in a lower wage category, or where there are lesser benefits; or, at the employee's option or where the Employer has no other account vacancies, the employee may be laid off. If the employee is placed at another account or location of the Employer in a lower wage category, or where there are lesser benefits, or if the employee is laid off, the employee shall have the right, subject to the employer's suitability determination, to fill positions that become available within six (6) months if the Employer obtains, or a vacancy occurs at, another account subject to this Agreement where the wage rate and benefits are at least equal to the wage rate and benefits previously enjoyed by the employee with the outgoing Employer.

4. The Employer shall notify the Union, as soon as practicable, once it has knowledge that a non-union security contractor is bidding on a covered account currently serviced by the Employer.

5. The Employer shall notify the Union, as soon as practicable, once it receives written cancellation of a covered account or job location.

6. New Non-Union Buildings

a. If after this Agreement has been executed, the Employer desires to bid, or is awarded a contract to provide security at a location that falls within the categories of facilities covered by this Agreement, but which otherwise was not subject to this Agreement under the last security contractor at that location, or in the event the Union organizes a site previously not covered by this Agreement, the Employer may phase in the wages and benefits required under this agreement as follows, provided the non-economic provisions of this Agreement shall apply to that particular building:

0 -12 months Wages 80% of the minimum rates provided for in this Agreement

12 months Wages 90% of the minimum rates provided for in this Agreement

24 months Wages 100% of the minimum rates provided for in this Agreement

Union medical benefits commence 1st January following 6 months after contractor transition effective date.

b. Any economic phase-in schedule agreed to by the parties shall not be deemed a violation of the Most Favored Nations provision as long as the phase-in schedule is extended to any other signatory Employer who performs work at that particular account. That schedule shall be reduced to writing and shall be provided to other Companies upon request. Any Employer who takes over a building where a phase-in schedule is already in effect, shall have the benefit of and be bound by that phase-in schedule.

7. If the Employer takes over a job subject to a Rider agreement with the Union providing less wages and benefits than provided herein, it may adopt the Rider with regard to economic terms applicable to that account or location, rather than applying the economic terms of this Agreement.

8. The successor Employer shall, subject to operational needs, permit an employee, upon two (2) weeks' notice, to take unpaid leave equal to the *pro rata* accrued vacation time that the predecessor Employer paid to the employee, upon credible proof by the employee that such vacation was paid out or was required to be paid out by the predecessor Employer.

9. 4. On May 14, 2015, the Pittsburgh City Council passed the “Safe and Secure Building Act,” which sets forth certain minimum safety and emergency preparedness training requirements for security officers working in certain types of properties within the city. The Act requires the certification of instructors by the Fire Bureau under standards to be established by the Fire Bureau and/or any implementing regulations which may be passed.

a. The Employer will comply with the terms of the Safe and Secure Building Act in one of two ways. The Employer may attempt on their own to meet the requirements of Section 410.5 (Certification of Training Schools and Instructors) of the Act and train employees directly, or it may become a participating Employer in the Building Services 32BJ Thomas Shortman Training, Scholarship and Safety Fund (“Training Fund”) if the Training fund meets the requirements of Section 410.5 of the Act.

b. In the event the Employer chooses to comply with the Act on its own, it will certify to the Union its compliance and provide the Union with any and all information necessary to confirm that the required training has taken place and meets the standards contained in the Act.

c. In the event the Employer chooses not to conduct its own training or is unable to meet the requirements of Section 410.5 of the Act, the Employer will participate in the Training Fund as outlined in Section 5 below.

b. If the Employer fails to make required reports or payments to the Fund, the Trustees may in their sole and absolute discretion take any action necessary, including but not limited to immediate arbitration and suits at law, to enforce: such reports and payments, together with interest and, liquidated damages as provided in the Fund’s trust agreement, and any and all expenses of collection, including but not limited to counsel fees, arbitration costs and fees and court costs.

c. If the Employer is regularly or consistently delinquent in Fund payments, the Employer may be required, at the option of the Trustees, to provide the appropriate Trust Fund with security guaranteeing prompt payment of such payments.

d. By agreeing to make the required payments into the Fund, the Employer hereby adopts and shall be bound by the Agreement and Declaration of Trust as it may be amended and the rules and regulations adopted or hereafter adopted by the Trustees of the Fund in connection with the provision and administration of

benefits and the collection of contributions. The Trustees of the Fund shall make such amendments to the Trust Agreement, and shall adopt such regulations as may be required to conform to applicable law.

6. Employers that do not contribute to the training fund will make ~~a~~ contributions based on the following schedule below to the 32BJ Supplemental Retirement Savings Plan (SRSP). This contribution shall commence on the first day of the month following the city's establishment of training certification standards and the Training Fund's meeting those standards, as set forth in Section 5 above.

The following schedule shall commence on the first day of the month following the city's establishment of training certification standards and the Training Fund's meeting those standards, as set forth in Section 5 above.

12 months after initial contributions begin – ten cents (\$0.10) per hour paid

24 months after initial contributions begin – fifteen cents (\$0.15) per hour paid

Employers participating in the Training Fund shall not make such contributions.

7. In the event that the Safe and Secure Building Act is invalidated and all appeals have been exhausted, or the Act has been enjoined, before contributions to the Training Fund or SRSP plan have begun, the Employer will not be obligated to begin contributions to the Training Fund of the SRSP plan, provided however, that should the injunction be lifted, contributions shall begin within 14 days.

8. In the event that the Safe and Secure Building Act is invalidated and all appeals have been exhausted, or the Act has been enjoined, at any time after contributions to the Training Fund or SRSP plan have begun, the Employer's obligation to contribute to the Training Fund or SRSP plan will cease; provided however, that should the injunction be lifted contributions shall resume within 14 days.

9. There shall be no wait period for contributions to the Training or SRSP Funds.

10. Therefore, unless otherwise mentioned herein, the Employer and the Union, for the life of this Agreement, each voluntarily and unequivocally waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may have been within the knowledge or contemplation of with/or both of the parties at the time they negotiated or signed the Agreement, except as required by law.

3. If the Employer believes that the Union has entered into or is honoring an agreement or understanding that is more favorable as defined herein, the Employer shall notify the Union and the parties shall meet and confer to discuss such within the next 72 hours.

If the matter has not been resolved within 72 hours of notification to the Union, the Employer may submit the matter for arbitration pursuant to the arbitration process set forth in Article 7 of this Agreement.

1. Hourly Wage Rate for Security Officers.

All unarmed Security Officers, also known as Guard I’s, shall be paid a minimum hourly wage of at least \$12.35 per hour effective October 1, 2018.

A. Health Benefits.

Effective July 1, 2018, Full-Time Employees shall have \$3.08 per hour deducted from their Health and Welfare fringe amount to fund health insurance coverage through the SEIU 32BJ Health Fund. For the purposes of this Paragraph, Full-Time Employees are those employees who are regularly employed 30 or more hours per week. There shall be no waiting period for eligibility or employer payment. The amount to be deducted for health insurance coverage shall increase as follows:

Effective January 1, 2019	\$3.28 per hour
Effective January 1, 2020	\$3.53 per hour
Effective January 1, 2021	\$3.86 per hour
Effective January 1, 2022	\$4.18 per hour

Dependent Health Care Coverage shall be made available to employees at their expense in accordance with Article 11, Section 4 of the Pittsburgh Security Contractors Agreement.

B. Supplemental Retirement and Savings Fund.

Effective July 1, 2018, the Employer shall participate in the Building Service 32BJ Supplemental Retirement and Savings Fund (“SRSP”) in accordance with the terms and conditions of such Fund, as it may be amended, at no cost to the Employer.

Effective July 1, 2018, the Employer shall make contributions to the SRSP to cover employees covered by this Agreement with Employer contributions, as well as tax exempt employee initiated wage deferrals as provided by the plan and/or plan rules and payable how and when the Trustees determine.

Effective July 1, 2018, the Employer shall contribute to the SRSP on behalf of all Employees whatever portion of the Hourly Benefit Amount remains after funding the health (if any) benefits set forth in Paragraph 2(A) above. By way of example, for a Full-Time Employee receiving health benefits, the 2018 calculation shall be as follows:

Hourly Benefit Amount:	\$4.41
- Health Benefit Amount	(\$3.08)
Remaining Amount	\$1.33 per hour

In the event that an employee’s monthly health and welfare fringe is insufficient to cover monthly medical premiums, the employer may make deductions from SRSP payments in subsequent payroll periods until such time as the medical premium deficiency is repaid. Part-time employees shall have their entire Hourly Benefit Amount contributed to the SRSP.

C. Future increases in Benefit Cost or Hourly Benefit Amount

The parties agree that if the Pittsburgh Controller establishes an Hourly Benefit Amount pursuant to the Pittsburgh Prevailing Wage Ordinance that is insufficient to fund the benefits described above, this Rider shall re-open upon written notice from one party to the other. Otherwise, increases in the Hourly Benefit Amount shall be distributed as described above.

In the event that the Fund determines that the hourly rates for health insurance set forth herein are insufficient to cover the monthly premiums set by the Trustees, the Trustees may increase the hourly rates for the succeeding year to the amount they deem necessary to support the health benefits. The hourly SRSP contribution rate shall be reduced by the same amount as any such increase so that the Hourly Benefit Amount will remain the same.

3. Time Off

A. Holidays.

Employees shall receive ten (10) paid holidays per year. If a Full-time employee's worksite or post is closed due to the observance of the holiday, the employee shall be paid straight-time holiday pay.
