AGREEMENT

PREAMBLE

This Master Agreement shall be effective the first day of January 2020, by and between The Connecticut Cleaning Contractors Association and each and every Hartford and Connecticut Cleaning Contractor who is signatory to this Agreement (hereinafter referred to as the “Employer”) and Local 32BJ, Service Employees International Union (hereinafter referred to as the “Union”). The Union and the Employer expressly agree and understand that the management rights and obligations created by this Collective Bargaining Agreement attach exclusively to the individual signatory contractors and that The Hartford Cleaning Contractors Association is an entity existing solely for the purpose of bargaining this Agreement, the terms of which bind the Employers that designated the Association as their collective bargaining representative.

Wherein it is mutually agreed as follows:

Article 1 **Recognition**

- 1.1 This Agreement shall apply to all occupational classifications of building service employees in the City of Hartford and in Hartford County outside the City of Hartford (hereinafter referred to as “Suburbs” or “Suburban” employees) State of Connecticut (with the exception of Fairfield County), excluding employees working in commercial office buildings under one hundred thousand (100,000) square feet, except that the economic terms and conditions for employees working at locations other than commercial office buildings and transit terminals shall be set forth in Riders negotiated for each such location. Notwithstanding the foregoing, this Agreement shall apply to route work employees and employees in commercial office buildings under one hundred thousand (100,000) square feet that were covered by the 2016 Hartford County Contractors Agreement. Complexes of contiguous commonly owned commercial office buildings equally one hundred thousand (100,000) square feet or more shall be covered by this Agreement.

- 1.2 The Employer shall be bound by the applicable area-wide agreements for all work performed within and subject to the scope of those agreements for all areas within the Union's jurisdiction, including the following agreements and successor agreements thereto:
- a. The 2020 Independent or Realty Advisory Board on Labor Relations, Inc., Contractors Agreement;
 - b. The 2020 Long Island Contractors Agreement;
 - c. The 2020 New Jersey Contractors Agreement;
 - d. The 2020 Hudson Valley and Fairfield County Contractors Agreement;
 - e. The 2019 Philadelphia BOLR or Independent Contractors Agreement;
 - f. The 2019 Washington Service Contractors Association Agreement;
 - g. The 2019 Philadelphia Suburban Contractors Agreement;
 - h. The 2016 Delaware Contractors Agreement;
 - i. The 2019 Pittsburgh Central Business District Contractors Agreement;
 - j. The 2019 Suburban Pittsburgh Contractors Agreement; and
 - k. The 2019 Maintenance Contractors of New England Agreement.
- 1.3 If the Employer takes over jobs subject to Rider Agreements, it shall assume and be bound by the remaining terms of any such Rider Agreements between the Union and the predecessor Employer.
- 1.4 The Union is recognized as the exclusive collective bargaining representative for all classifications of service employees within the bargaining unit defined above.

- 1.5 Immediately upon notification that the Employer has become a service provider at a new location subject to this Agreement, the Employer shall notify the Union, in writing, sent by facsimile to the Union, at its main offices, of the new location and the date on which it is to commence performing work at that location.
- 1.6 The Employer will not impede, and the Union shall have the right of, access to its employees at the work-site. The Union will not disrupt the employees' work and shall provide reasonable notice, which shall ordinarily be at least twenty-four (24) hours. The Union and the Employer will develop procedures to provide for Union access, appropriate for work sites, with special security requirements.
- 1.7 The Employer (and its agents) will not take any action or make any statements that will state or imply opposition to the employees selecting the Union as their collective bargaining agent. Where required by law, upon the Union's demonstration that a majority of employees at a location (or contiguous grouping of locations) or at any other appropriate grouping of locations at the Union's option, have designated the Union as their bargaining representative by signing authorization cards or petitions, the Employer shall recognize the Union as the exclusive collective bargaining representative for that location or locations.

Article 2
Definition of Employees

- 2.1 The term "employees" shall include all service and maintenance employees engaged as heavy cleaners, light cleaners, furniture handlers, window washers, elevator operators, working leadpersons, and janitors (as defined by the Connecticut Standard Wage law), including part-time employees as defined in paragraph 5.7. It is also agreed that supervisory employees are a part of management, and as such are not part of this bargaining unit. Working leadpersons are not supervisors as that term is defined in the National Labor Relations Act and they shall not have authority to issue disciplinary actions. Each working leadperson shall spend a significant part of each work day performing a regular cleaning or maintenance routine.

- 2.2 The Union and the Association shall form a committee regarding the development and implementation of a training program for Working Leadpersons. Such committee will determine the frequency and content of the training, whether the training is mandatory, and whether such training is held on Employer time.

Article 3
Union Security

- 3.1 It shall be a condition of employment that all employees covered by this Agreement, who are members of the Union on the effective date of this Agreement, shall remain members and those who are not members on the effective date of the Agreement, shall, on the thirty-first (31st) day following the effective day of this Agreement, become and remain members in the Union. It shall also be a condition of employment that all bargaining unit employees hired on or after the effective date of this Agreement shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members of the Union. The requirement of membership under this Article is defined by the payment of the financial obligations of the Union's initiation fee and periodic dues uniformly imposed
- 3.2 At the time of hire, the Employer shall give to the new employee a packet, provided by the Union and containing: Union membership application form, dues check-off authorization form, and where appropriate, benefit enrollment forms. The Employer shall send to the Union offices those forms (or portions thereof) which the employee chooses to fill out and return to the Employer.
- 3.3 Upon receipt by the Employer of a letter from the Union's Secretary-Treasurer requesting an employee's discharge because he or she has not met the requirements of this Article, unless the Employer questions the propriety of doing so, he or she shall be discharged within fifteen (15) days of the letter, if prior thereto he or she does not take proper steps to meet the requirements. If the Employer questions the propriety of the discharge, the Employer shall immediately submit the matter to the Arbitrator. If the Arbitrator determines that the employee has not complied with the requirements of this Article, the

employee shall be discharged within ten (10) days after written notice of the determination has been given to the Employer.

3.4 The Employer shall be responsible for all revenue lost by the Union by reason of any failure to discharge an employee who is not a member of the Union, if the Union has so requested in writing. In cases involving removal of employees for non-payment of the requirements of this Article, the Arbitrator shall have the authority to assess liquidated damages.

3.5 The Employer shall notify the Union, monthly, of all newly hired employees. Such notification shall include: name, social security number, address, telephone number, work location, position, number of hours working and wage rate. The Employer shall also notify the Union, monthly, of all changes in employees' work status including change from temporary to permanent status, increases or decreases in working hours, changes in wage rates and/or work locations, and terminations.

Article 4 **Dues Check-Off and Initiation Fees**

4.1 The Employer shall deduct from the wages of its employees, who authorized such deductions in writing, each month, such Union dues, agency fee, initiation fees (after thirty (30) days of employment), American Dream Fund contributions and assessments, as may be due as provided in the Constitution and By-Laws of the Union and American Dream Fund authorizations. The parties acknowledge and agree that the term "who authorized such deductions in writing" as provided in this Agreement includes authorizations created and maintained by use of electronic records and electronic signatures consistent with state and federal law. The Union, therefore, may use electronic records to verify Union membership, authorization for voluntary deduction of Union dues and fees, as well as voluntary contributions to the Union's American Dream Fund, from wages or payments for remittance to the Union, and authorization for voluntary deductions from wages or payments for remittance to the American Dream Fund. The Employer shall accept such electronic records as valid written authorizations for deduction and remittance. The Employer shall forward such sums, together with a list of employees from

whom deductions have been made, to the Union by the twentieth (20th) day of each month following the month in which such deductions are made.

4.2 The Employer shall maintain accurate employee information and transmit dues, initiation fees, American Dream Fund, and all legal assessments deducted from employees' paychecks to the Union electronically via ACH utilizing the 32BJ self-service portal, unless the Union directs in writing that dues be remitted by means other than electronic transmittals. The transmission shall be accompanied with information for whom the dues are transmitted, the amount of dues payment for each employee, the employee's wage rate, the employee's date of hire, the employee's location or location change, whether the employee is part-time or full-time, the employee's social security number, the employee's address and the employee's classification. The Union shall provide any necessary training opportunity to the employer to facilitate electronic transmissions.

4.3 If the Employer fails to deduct or remit to the Union the dues or other monies in accordance with this Article by the twentieth (20th) day of the month, the Employer shall pay interest on such dues, initiation fees or contributions at the rate of one (1%) percent per month beginning on the twenty-first (21st) day, unless the Employer can demonstrate the delay was for good cause due to circumstances beyond its control.

4.4 If an employee does not revoke his or her dues check-off authorization at the end of the year following the date of authorization or at the end of the current contract, whichever is earlier, the employee shall be deemed to have renewed his or her authorization for another year, or until the expiration of the next succeeding contract, whichever is earlier.

Article 5 **Hours and Overtime**

- 5.3 Overtime shall be distributed equally among the employees within their classification in the building in which they work.
- 5.4 If an employee reports for work without previously being notified not to report, or if an employee is called back to work on hours outside his or her regular schedule, the Employer agrees to give a minimum of half (½) the scheduled hours of work or half (½) the scheduled hours pay at the applicable rate.
- 5.5 All employees shall be allowed a fifteen (15) minute relief period during each four (4) hours worked, providing they are scheduled to work four (4) hours or more, in addition to the present practice of lunch breaks. The time and location of this relief period will be set up by the Supervisor in charge in order not to conflict with work programs.

 - a. No employees shall be hired or scheduled to work less than twenty-five (25) hours per week in buildings one hundred thousand (100,000) square feet or larger. The Employer and the Union will seek, through attrition or other appropriate means, to reduce the need for any reductions. If the increase in hours results in a reduction of employees, affected employees shall have the right to exercise their seniority to “bump” as otherwise provided for in this Agreement. Notwithstanding the above, no more than one (1) employee in such buildings may have a shift less than five (5) hours, where necessary, subject to verification by the Union. Buildings may be

exempted from this provision, upon a showing by the Employer, with the Union's consent. Such consent will not be unreasonably withheld.

If an employee works less than eight (8) hours per day, he or she may bid on a job in another building if the other building has an opening for an employee which would have available more work hours than the employee is presently working.

8.3 Tardiness: All tardiness will be deducted from the wages based on the statutes of the State of Connecticut.

28.1 All disputes or differences involving the interpretation or application of this Agreement that arise between the Employer and the Union shall be resolved as provided in this Article, except where otherwise provided in this Agreement.

Step 1 All grievances, except a grievance involving basic wage violations, including contributions to employee benefit funds, shall be brought within forty-five (45) calendar days after the Union or the Employer, as the case may be, has knowledge or should have had knowledge of the dispute, unless the parties agree to an extension, or the Arbitrator finds one should be granted for good cause shown.

Step 2 Employer and Union representatives may hold a *Step 2* meeting on unresolved grievances within thirty (30) days of the grievance except by mutual consent. If the dispute is not settled, at any step of the Grievance Procedure, the grievance may be referred to arbitration by the either party before one of the two Contract Arbitrators, Peter Adomeit and Gary Kendellen, on a rotating basis. Under these circumstances, work shall continue in accordance with the contention of the Employer in a regular and orderly manner by the members of the Union without interference or interruption, pending a decision.

Additionally, it is agreed that both parties have, after stating their positions, a maximum of thirty (30) days after *Step 2* and the signing of the Union grievance to file for arbitration pursuant to the above. Failure of either party to comply with these time limits shall be deemed a waiver of the grievance and same shall not be arbitrable. Where a Union-represented employee files an internal appeal with the Union concerning the Union's decision not to pursue arbitration of a grievance, the Union's thirty (30) day time limit to notice arbitration of the grievance under this Article *Step 2* shall be tolled until the internal appeal is resolved. This does not alter any other grievance processing time limits provided for under Article 12, paragraph 1. The Union shall immediately notify the involved Employer of the filing of the internal appeal, and notify the Employer of the outcome of the internal appeal.

In the event that both the Union and the Employer desire to convene an expedited arbitration, both parties must mutually agree to such expedited procedure.

Costs of arbitration or mediation procedures, if any, shall be equally shared by the Employer and the Union. The decision of the Arbitrator(s) shall be final and binding on the Employer, the employees, and the Union.

Agreement and they shall automatically become a part of this Agreement and upon notice to the Union shall immediately become in full force and effect, superseding any less favorable provision of this Agreement for the purpose of bidding that job.

Article 30
Contractor Transition

- 30.1 When a job location changes from one cleaning contractor to another (both of whom are signatory to a collective bargaining agreement with Local 32BJ), the respective companies are obligated to pay the remaining pro-rata vacation payments based upon the proportion of the calendar year each cleaned the facility, account or job. For example, if a contractor cleaned a facility up to July 31st, that contractor would be responsible to pay seven-twelfths (7/12th) of the remaining unpaid vacations and the new contractor would be obligated to pay five-twelfths (5/12th) of the remaining unpaid vacations for that year.

Any holiday which was switched to a later date in accordance with the Agreement shall be the responsibility for the contractor in the building as of the date switched to.

The leaving contractor shall pay its share of the accrued vacations to any affected employees on its last payday at the job location. Prior to relinquishing the job location to the new contractor, the leaving contractor shall provide the Union with a list of all the employees, their scheduled hours, their scheduled vacation, personal and sick days, if any, for the year, and an itemization of how much of this time off has been taken and/or paid for.

Failure to provide this list to the Union, within fourteen (14) days, after relinquishing the facility shall obligate the leaving contractor to pay affected employees the balance of the year's paid time off.

- 30.2 When taking over or acquiring a job location covered by this Agreement, the Employer is required to retain the incumbent employees and to maintain the same number of employees (and their respective hours) as were employed at the facility, account or job of the predecessor Employer, provided that the staffing level does not exceed the level in effect

ninety (90) days prior to the takeover, except where there were increases in the staffing levels during that period resulting from customer requirements. Any Employer who adds employees to any job in anticipation of being terminated from that job location shall be required to place the added employees on its payroll permanently. These employees shall not replace any regular employees already on the payroll of that Employer. The Employer may not reduce the staffing level on takeover of the facility, account, or job unless the Employer can demonstrate an appreciable decrease in the work to be performed.

- 30.3 Employees retained by the Employer shall be given credit for length of service with the predecessor Employer(s) for all purposes including, but not limited to, seniority, vacation entitlement, and completion of the trial period. The new contractor shall recognize the seniority of all employees.
- 30.4 Employees retained on takeover shall not have their rates of pay, hours worked or other terms and conditions reduced. When the Employer bids or takes over the servicing of any job location where employees enjoyed greater wages, holidays, vacation, or other type of benefit than provided for herein, the Employer shall continue to provide such greater wages and/or benefits. Employees enjoying greater wages shall receive the contractual increases provided for in Article 13 - Wages. The Union will endeavor to provide to the Employer that bids or takes over a job, information concerning greater wages and/or benefits that were provided by the previous contractor.
- 30.5 The Employer shall be required to immediately notify the Union, in writing, as soon as the Employer receives written cancellation of a job location. Within two (2) business days of such cancellation notice, the Employer shall provide the Union with a list of all employees at the job location, their wage rates, number of hours worked, the dates of hire, the number of sick days, the number of holidays, benefit contributions made for employees and vacation benefits.

- 30.6 Failure of the Employer to notify the Union as required in paragraph 30.5, coupled with the successor Employer's failure to recognize the Union and to maintain the terms and conditions of this Agreement, will require the Employer to pay liquidated damages to the affected employees equal to two (2) months wages.
- 30.7 When the Employer bids on work covered by this Agreement, the Union will provide, in a timely manner to all invited bidders, upon their written request, the information described in paragraph 30.5 above. Inaccuracies in the information provided by the incumbent Employer shall not excuse any obligations under this Agreement of the Employer acquiring the job location.
- 30.8 The Employer shall provide the Union, within five (5) business days of taking over the account/location, the name, rates of pay, hours and other benefits provided at the location.
- 30.9 When taking over a job location covered by this Agreement, the incoming Employer shall be responsible for all accrued but unused sick, personal, or birthday leave.

Article 31

Invalidation, Modification and Waiver Provisions

- 31.1 If any term, provision or condition of this Agreement is held to be unlawful, illegal or in violation of law in a final judgment or order, the parties will confer in an effort to agree, upon suitable substitutions therefore, and if they fail to agree, the same shall be considered a grievance and submitted to arbitration in accordance with the arbitration provisions thereof. The Arbitrator in such arbitration shall be instructed by the parties hereto that it is their intention that in such event the essence and spirit of the provisions so held illegal are desired to be retained to the extent permitted by law. Therefore, if any of the provisions of this Agreement are adjudicated to be illegal, unlawful or in violation of any existing law, no other portion, provision or article of this Agreement shall be invalidated nor shall such adjudication relieve either of the parties hereto from their rights and liabilities hereunder or limit the rights or liabilities of either of the parties hereto, except insofar as the same is made unlawful, illegal or in violation of the law.

- 31.2 The parties herein mentioned agree that they will abide by all the articles and terms of the Agreement from the date of execution hereof through the thirty-first (31st) day of December 2023. If either party desires any change of the Agreement at the expiration hereto, it shall, ninety (90) days prior to Agreement expiration, give to the other party written notice of such change, and in lieu of any such notification and agreement, this Agreement shall remain in effect for one (1) more year.
- 31.3 It is mutually agreed that during the lifetime of this Agreement, there shall be no demands for collective bargaining negotiations as to any matter or issue not covered by the provisions of the Agreement or for the renegotiating of any of the provisions of the Agreement.

- 32.3 The Trustees of the Funds shall make such amendments to the Trust Agreements, and shall adopt such regulations, as may be required to conform to applicable law.
- 32.4 The Employer hereby adopts the Funds' Trust Agreements to be bound thereby, including any amendments thereto as if same were incorporated at length as part of this Agreement. A copy of each said Trust Agreement has been exhibited and delivered to the Employer herein mentioned.

- 32.5 The Employer agrees that should there be any claim by the Union or any of the Trust Funds of any discrepancies or disputes concerning payment by the Employer to the respective Fund that they or their representative shall have the right, on reasonable notice, to examine the Employer's payroll books, hours or work records, or other records pertaining to the number of employees and/or hours worked or paid.
- 32.6 The parties agree that, in the event that the President of the Union and the President of the Realty Advisory Board on Labor Relations, Inc. determine in their discretion and upon their mutual consent to change the portion of contributions allocated to the Thomas Shortman Training, Scholarship and Safety Fund and the Building Service 32BJ Legal Services Fund, the Employer shall adopt the same reallocation effective thirty (30) days following notification by the Union of such reallocation; provided that the total amounts contributed to such Funds collectively pursuant to such reallocation shall not exceed the amounts that would otherwise be contributed to such Funds collectively pursuant to this Agreement in the absence of such reallocation.

Article 33
Standard Wage Law Accounts

- 33.1 Employees employed at buildings covered by the Connecticut Standard Wage Law shall receive not less than the wage rates and benefits required by the Standard Wage Law.

Employers will bid for that work in accordance with those requirements. Upon request, the union will provide the employer with its obligations under the law. See: <http://www.ctdol.state.ct.us/wgwkstnd/standardwage.htm>.

Article 34
Immigration

- 34.1 Recognizing that questions involving an employee's immigration/work status or personal information may arise during the course of his/her employment, and that errors in an employee's documentation may be due to mistake or circumstances beyond an employee's control, the Employer agrees to the following:

- a. In the event an issue or inquiry arises involving the immigration status or employment eligibility of a non-probationary employee, the Employer shall promptly notify the employee, in writing.
- b. If permissible, under applicable law and/or regulations, the affected employee shall be afforded reasonable opportunity to remedy the identified problem before adverse action is taken. When necessary, the employee will, consistent with the operational needs of the Employer, be permitted reasonable unpaid time off to attend relevant proceedings or visit pertinent agencies, for the purpose of correcting the identified problem, provided the Employer is given adequate notice of planned absences and verification of appointments, hearings or other proceedings for which time off is requested. The Employer shall be granted up to one-hundred twenty (120) days leave for this purpose. Upon return from leave and remediation of the identified problem, the employee shall return to his or her former position, without loss of seniority. However, seniority shall not accrue during such leave. If the employee does not remedy the problem within one-hundred twenty (120) days, the employee may be discharged and the Employer shall have no further obligation to hold his or her position.
- c. Any lawful changes in the employee's documentation, name or social security number shall not be considered new employment or a break in service, and shall not be cause for adverse action.
- d. Unless otherwise required by law or regulation, a "no match" letter from the Social Security Administration shall not itself constitute a basis for taking adverse employment action against an employee or for requiring an employee to reverify work authorization. The Employer shall promptly forward a copy of any no-match letter that it receives to the Union.

- e. The parties agree that the Employer may not invoke Security Background Checks in connection with a Social Security “no match”.
- f. The Employer agrees not to penalize any employee seeking to gain valid immigration and/or work authorization status, providing that this shall not require the Employer to violate any State or Federal law

Article 35
Successor, Assigns and Subcontracting

- 35.1 The Employer shall not subcontract, transfer, lease or assign, in whole or in part, to any other person, firm, corporation, partnership, or non-unit work or workers, bargaining unit work presently performed or hereafter assigned to employees in the bargaining unit, except to the extent required by government regulations regarding minority or female owned enterprises, in which event the Employer shall ensure that such enterprises employ bargaining unit employees under the wages and benefits provided under this Agreement.
- 35.2 In the event the Employer sells or transfers all or any part of its business or accounts which are subject to this Agreement, the Employer shall require the acquiring employer to assume this Agreement.
- 35.3 To the extent permitted by law, this Agreement shall be binding on any other entities that the Employer, through its officers, directors, partners, owners, or stockholders, either directly or indirectly (including but not limited through family members), manages or controls, provided such entity or entities perform(s) work subject to this Agreement.

Article 36
Involuntary Transfers and Security Background Checks

- 36.1 a. If an employee is removed from a location upon the written demand of a customer, the Employer may remove the employee from further employment at that location, provided there is a good faith reason to justify such removal, apart from the demand itself. The Employer shall provide to the Union a copy of any such written demand. Unless the Employer has cause to discharge the employee, the

Employer will place the employee in a similar job at another facility within the same county covered by this Agreement unless the Union and Employer shall agree to place the employee in a similar job in a different county covered by this Agreement, without loss of seniority or reduction in pay or benefits.

- b. In the event an employee is transferred to another building and is not filling a vacant position, the Employer shall seek volunteers, on the basis of seniority, within the job title. If there are no volunteers, the junior employees shall be selected for transfer and receive the same protections afforded to the transferred employees.
- 36.2
- a. All employees shall be subject to security background checks at any time based on a written customer requirement. An employee shall cooperate with an Employer, as necessary, for obtaining security background checks. Any employee who refuses to cooperate shall be subject to termination. Employees who fail such security background check shall be subject to termination.
 - b. For the purpose of this provision, just cause to terminate an employee, who has failed a security background check, exists only if it is established that one or more of the findings of the background security check is directly related to his/her job functions or responsibilities, or that the continuation of employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public or constitute a violation of any applicable governmental rule or regulation. If the customer determines that the employee has failed a security background check, but the Employer lacks cause for termination under this provision, the terms of paragraph 36.1 above shall apply.
 - c. All security background checks shall be confidential, and may be disclosed only to the Union; as necessary for the administering of this Agreement; and/or as required by law. The Employer shall pay all costs of any security background checks. The Employer cannot deduct from paychecks the cost of pre-employment screenings.

Policy on Substance Abuse

Policy Overview

The Employer is responsible for maintaining safe, healthy and efficient working conditions for its employees and for protecting the safety and security of its equipment and operations.

Being under the influence of any drug or alcohol on the job may pose serious safety and health risks not only to the user but to all those who work with the user. The possession, use or sale of an illegal drug or alcohol in the workplace also poses unacceptable risks for safe, healthful and efficient operations.

With these basic objectives in mind, the Employer has established the following Policy with regard to the use, possession or sale of alcohol or drugs.

Scope

This Policy applies to all regular full-time, part-time and temporary employees who are employed by the Employer under its Agreement with Local 32BJ, SEIU which covers Hartford County, Connecticut.

Policy Statement

I. Pre-Placement Screening

The Employer may maintain pre-placement screening practices designed to prevent the hiring of individuals who use illegal drugs or individuals whose use of legal drugs or alcohol indicates a potential for impaired or unsafe job performance.

II. On-the-Job Use, Possession or Sale of Drugs or Alcohol

A. Alcohol

Being under the influence of alcohol by an employee, while performing business for the Employer or while in a facility where the Employer does business, is prohibited since such behavior may affect the safety of coworkers or members of the public, the employee's job performance, or the safe or efficient operation of the Employer's facility. "Under the influence" means, for the purposes of this Policy, that the employee is affected by a drug or alcohol or the combination of a drug and alcohol. The symptoms of influence may be those consistent with impairment of physical or mental ability such as slurred speech or difficulty in maintaining balance, abnormal or unusual behavior or breathe odor of the employee. For alcohol, a breathalyzer test would be conducted in accordance with the Department of Health and Human Services threshold limits.

B. Legal Drugs

"Legal Drugs" include prescribed drugs and over-the-counter drugs which have been legally obtained and are being used for the purpose or which they were prescribed or manufactured.

An employee's use of a legal drug may pose a significant risk to the safety of the employee or others. Employees, who feel or have been informed that the use of such a drug may present a safety risk, are to report such drug use to their Supervisor. Documentation indicating the related consequences of such drug use may be required.

C. Illegal Drugs

“Illegal Drugs” means any drug (a) which is not legally obtained, or (b) which is illegally obtained. The term includes prescribed drugs illegally obtained and prescribed drugs not being utilized for prescribed purposes. It also includes marijuana.

The use, sale, purchase, transfer or possession of an illegal drug by an employee while in an Employer facility or while performing business for the Employer is prohibited. The presence of any illegal drug in an employee, sufficient to test positive under the United States Department of Health and Human Services Guidelines, while performing business for the Employer, on Employer property or while in an Employer facility is prohibited.

D. Basis for Testing

Testing for evidence of substance abuse shall only be performed on the basis of probable cause or suspicion that an employee is under the influence of a controlled substance. A determination of influence must be established by a scientifically valid test. All determinations that an employee may be subject to a drug screen on the basis of reasonable suspicion shall first be referred to the Employer’s Area Operations Manager or a representative of the Employer’s Human Resources Department before such drug screening is conducted.

Probable suspicion must be based on specific personal first hand observations that Employer representatives can describe regarding the appearance, behavior, speech or breathe odor of the employee. Such observations shall be corroborated by a second management representative. Supervisors who shall have responsibility for recommending that an employee be subject to a drug screen test because of probable cause shall have received training in substance abuse detection. Probable cause or suspicion may not be based solely on third party observations or reports.

III. Disciplinary Action

Violations of this Policy can result in a disciplinary action. Alternatively, an employee shall be offered an opportunity for rehabilitation for a first offense.

IV. Drugs and Alcohol Screening

The Employer may require a urinalysis or breathalyzer test (EBT) in the following circumstances:

- a. Every prospective employee who has been offered a position with the Employer is subject to a screening prior to beginning employment. Those who test positive will, as a general rule, be rejected.
- b. Those individuals reasonably suspected of using or being under the influence of a drug or alcohol on the basis of verifiable behavioral characteristics.
- c. Employees involved in a workplace accident may warrant such screening. Screening may be required for all OSHA reportable accidents that require more than first-aid treatment (i.e., sutures, x-rays, hospital treatment, etc.). Drug screening may be required on all incidents which involve property damage and work performance that involve damage to property or equipment.

An employee's consent to submit to such a test is a material condition of employment and the employee's refusal to consent may result in disciplinary action, up to and including termination for a first refusal or any subsequent refusal.

V. Testing

All employee substance abuse testing will be conducted by a laboratory certified by the National Institute on Drug Abuse or other entity on behalf of the United States Department of Health and Human Services (HHS”) in accordance with the guidelines set forth in the Federal regulations promulgated by HHS. Specimen collection, drug testing and reporting procedures will be in accordance with the guidelines set forth in the HHS regulations, including the following:

- a. The laboratory shall meet the security and chain of custody guidelines set forth in the HHS regulations.
- b. The laboratory shall perform an initial screening test as set forth in the HHS regulations. A specimen shall be identified as positive on the initial screening test if it exceeds the cutoff levels for that test set forth in the HHS regulations.
- c. A specimen identified as positive on the initial screening test shall be confirmed using gas chromatography/mass spectrometry (GS/MS) techniques at the cutoff values listed in the HHS regulations.
- d. The laboratory shall report as negative all specimens which are negative on the initial screening test or negative on the confirmatory test. Only specimens confirmed positive shall be reported positive for a specific drug.
- e. The laboratory shall retain and place in properly secured long-term frozen storage, for a minimum of one (1) year, all specimens confirmed positive or for additional periods of time as set forth in the HHS regulations.

If an employee's specimen is reported positive for a specified drug, the employee shall have the right to demand an independent test on the same specimen at his or her own expense. The sample shall be transported directly from laboratory to laboratory with chain of custody precautions. If the result of the independent test is negative, the Employer shall pay for said test.

If an employee is tested for probable cause or abnormal behavior, he/she will be suspended from duty pending the results of their tests. If the results are negative, the employee will be reinstated with back pay.

Any employee tested for incidence which involves substantial injury or property damage may return to work pending the results of their test. Employees cannot operate equipment until their test results are received.

Further, I give my consent to the release of such test results to authorized Management of my Employer for appropriate review, specifically and exclusively to the Chief Operations Manager in the Hartford area. I understand the management representative of my Employer will recognize their obligation to keep these test results confidential at all times.

I further understand that if the result of the drug testing is positive, I may be subject to disciplinary action, up to and including my termination. I understand that I will be offered rehabilitation for a first offense.

I further understand that if I refuse to consent to this drug testing, it may result in disciplinary action, including my termination.
