Notice of Right to Contest Provisional Eligibility Determination

This notice is to inform you that there has been a provisional determination that you are not eligible to be nominated for the office or position that you seek for the reasons set forth in the enclosed report. You have the right to contest this provisional determination. If you wish to do so, you must notify the Election Committee by 6pm on **Sunday, July 21st** by sending your statement indicating your intention to contest the determination via email to MHamelius@seiu32bj.org. Your statement should include the specific grounds which you contend demonstrate that the determination is incorrect.

The Election Committee will determine whether or what kind of investigation, including a hearing, is appropriate to resolve the issues raised by your statement. If the Election Committee determines that a hearing is appropriate, the hearing will be held at the Union's offices. The Election Committee will inform you of the specific time and date of the hearing. You should bring to that hearing all records, documents, witnesses, and other information that you believe are necessary to establish your eligibility and to refute the reasons for ineligibility stated in the provisional determination.

The rules governing the conduct of the hearing are attached.
